

Aircraft Specification & Status Summary

Report Date:	14 th December 2016
--------------	--------------------------------

Aircraft Registration:	OY-JTF
Previous Registration:	F-GIXG, F-OGSX, CS-TIA
Type:	Boeing 737-382 QC

The above aircraft is offered for sale, lease or commitment and may be withdrawn from the market at any time without prior notice. The recipient (or any other party for whom it has been obtained) of this specification and any other information in respect of the aircraft may not, without limitation, disclose, use the information, or offer the aircraft to any other party for any purpose whatsoever, without the written consent of the aircraft owner or its technical representative.

The Engines, APU and Landing Gear are representative of the current status of the aircraft at the time of compilation of this report. Due to the fleet capacity size of these components owned by European Skybus, the present aircraft components may be replaced if found to be of an unsatisfactory nature.
